

Goodrich ISD
2020-2021 Website/Social Media Consent Form

In order to have pictures on our website, we must have parental permission. In most cases, the pictures will be group pictures with no names included. Examples include sports, band, club or organization pictures and academic assemblies, as well as, pep rallies, and informal pictures of students engaging in daily school activities.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a website since global access to the internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools wish to celebrate your child and his/her work. The law requires that we ask your permission to use your child's likeness and information about your child.

We will not release any personally identifiable information without prior written consent from you as the parent/.guardian. Personally identifiable information includes student names, photo/image, school phone numbers and locations and times of class trips or events.

If you, as the parent/guardian, wish to revoke the agreement at any time, you may do so by sending a written letter to the principal of your child's school and such revocation will take effect upon receipt by the school's website master.

Please sign and return the consent form ether allowing or disallowing your child's picture on the district's and or campus websites/social media accounts. It is important that we receive a form from every student.

Please check one of the following:

I/We grant permission for a photo/image of this student (WITHOUT any other personal identifiers) to the school website/social media account.

I/We grant permission for this student's photo/image and first name only to be published on the school website/social media account.

I/We do not grant permission for a photo/image of this student to be published on the school website/social media account.
